v.9.02.01.1

NOTE: All previous edition are no longer valid after new published catalogue.

Products sold by SAMPA are not original parts but they are interchangeable with them and they are sold under our brand.

All original equipment manufacturers (OEM) numbers, symbols and descriptions are used for identifications purpose only. They will not be used in delivery notes or invoice to our customers.

We cannot accept any responsibility for errors which may occur from the printing etc.

This catalogue is not permitted to be reprinted or duplicated even partially without our prior written permission.

We reserve the right to make technical changes and design modifications.

The information provided in this catalogue has been researched and prepared with utmost care. However specifications, descriptions and illustrative material contained herein are subject to possible changes without notice. We do not accept liability for any errors in this issue.

SAMPA frequently updates and improves its products. SAMPA may discontinue to offer or modify its products at any time. Please consult your SAMPA country representative for specific product information.

The brand SAMPA® is a registered and protected trademark. Registration numbers are; IR 1147491, IR 1153904, CTM 010528438, OAPI 3201200019, TR 2002/19391, TR 2011/112926, Well-Known Trademark T/03238.

Explanation of the used terms in this catalogue;

Replaces : The spare part which shown is a product of SAMPA® brand, it can be used instead of the original spare part of the vehicle manufacturer.

Suitable for : The spare part which shown is suitable for the listed vehicles, models, product types etc.

SAMPA code with "SD" : The shown spare part is a "SAMPA DESIGN" product which is developed in SAMPA R&D Centre (CAMP).

PLEASE NOTE THAT ORIGINAL NUMBERS WILL NOT BE MENTIONED ON DELIVERY NOTES AND INVOICES.

This Is Sampa

We aim to rise to the top of the aftermarket industry with an innovative and responsible mindset, state-of-the-art technology investments, and the support of the best and the brightest talent.

R&D and Test Center powered with 110 scientists

Production experience dating back to 1950s

30.000 products under 24 categories

Offices in 9, exports to 138 countries

Competitive prices worldwide

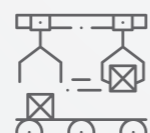

Fully digitalized 16.000 m² warehouse

3.300 pieces of state of the art machinery

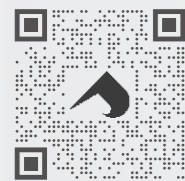

100.000 m² integrated campus with 9 factories

Manufactures 15.000 out of 30.000 products

Access around the clock with B2B platform

Please, scan with your smartphone camera or QR code app to watch the Sampa Corporate video

We Produce Spare Parts for the World

Sampa exports to 138 countries and has offices, warehouses and subsidiaries in USA, Mexico, Germany, China, Russia, South Africa, United Arab Emirates, and Romania.

Sampa provides a wide range of spare parts for heavy-duty commercial vehicles at competitive prices and fastest way available, while focusing on high standards and customer satisfaction.

Established in 1994 as a distributor in a 100 m² shop in Samsun, Turkey, Sampa has transformed into a manufacturing and sales giant, now

operating on a 100.000 m² integrated factory campus.

In addition to manufacturing over 15.000 products under 24 different groups, Sampa also buys and sells over 15.000 products, which increases its offering to a total of 30.000 products.

The Best R&D Center in the Aftermarket

CAMP is a comprehensive facility where the brightest talent with an innovative mindset bring the best work to life.

We take pride in our never-ending quest for innovation at CAMP, our 3000 m² state-of-the-art research and development center launched with an investment of 10 million dollars.

As Sampa's significant step in expanding local innovation, CAMP is fueled with 2.5% of Sampa's annual turnover.

Equipped with high-tech tools, machinery, and 5 divisions with a total of 110 engineers, software developers, and designers, CAMP is constantly in pursuit of new products, processes, materials, and methods.

A Massive Plant With 9 Factories!

Sampa harbors 9 factories with 3.300 pieces of state-of-the-art machinery within a 100.000 m² factory campus.

Molding

All the necessary metal molds for air spring production, rubber production and metal stamping.
1.550m²

Metal Sheet Production

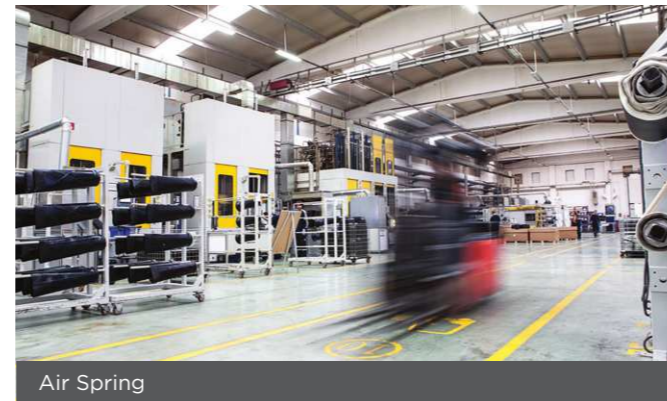

Perfect deep drawing and metal sheet cutting abilities.
4.500m²

Machining

Where mechanical tools meet digital in a perfect harmony.
5.000m²

Rubber Vulcanization

The quality of Sampa rubber products is no secret but our rubber recipe is.
4.800m²

Air Spring

Machining

Surface Treatment

Surface Treatment

Aesthetic and high-quality coating facility with fully automatic machinery.
7.450m²

Hot Forging

Plastic Injection

Metal Sheet Production

Air Spring

Producing long-lasting air springs that ensure end-user comfort.
2.700m²

Plastic Injection

Forming the material of a thousand uses.
2.600m²

Hot Forging

Source of the strength, durability, and longevity of Sampa parts.
500m²

Tie Rod & V Rod

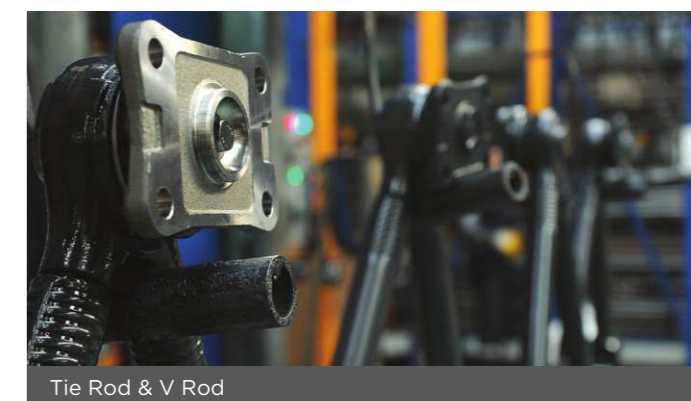

Critical components for the safety and comfort of end-user.
1.600m²

Molding

Rubber Vulcanization

Tie Rod & V Rod

MTS Test Machine

Elastocon Stress Relaxation Testing System

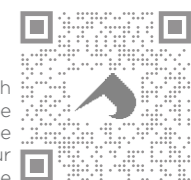

Perform Quality

Sampa is proud to apply 8 quality systems to ensure safe production, best products, and satisfied customers. Our production facility is also awarded Ford Q1 Certification, which is OEM's standard for exceptional quality and customer satisfaction.

- Q1 Ford Preferred Quality Status
- ISO 9001 Quality Management
- IATF 16949 Automotive Quality Management
- ISO 10002 Customer Satisfaction Management
- ISO 14001 Environmental Management
- ISO 27001 Information Security Management
- ISO 28001 Security Management Systems for Supply Chain
- OHSAS 18001 Occupational Health & Safety Management
- TUV 9001 Quality Management

Please, scan with your smartphone camera or QR code app to watch our MTS testing machine

Choose the blue one!

Simple, elegant, convenient...

Sampa boxes have the perfect design that will help you handle stock easily. Labels instantly provide detailed information on your mobile phone or electronic reader while the hologram ensures authenticity.

1. Sampa Emblem
2. Sampa Product Number
3. QR Barcode
4. Unique Hologram
5. Product Descriptions (in EN, DE, FR, ES and RU)
6. Replaces Number
7. Quantity
8. International EAN 13 Barcode
9. Sampa Tracking Number
10. Product picture

Sampa Seal of Quality
The Sampa box also has a unique sticker proving that the products have undergone final inspection before packaging.

Extensive Product Line

Sampa offers 30.000 different types of products under 24 categories for 18 brands.
