BUS SPARE PARTS CATALOGUE

PARTS FOR COMMERCIAL VEHICLES

ADVANCED PARTS

2019

NOTE: All previous edition are no longer valid after new published catalogue.

Products sold by SAMPA are not original parts but they are interchangeable with them and they are sold under our brand.

All original equipment manufacturers (OEM) numbers, symbols and descriptions are used for identifications purpose only. They willnot be used in delivery notes or invoice to our customers.

We cannot accept any responsibility for errors which may occur from the printing etc.

This catalogue is not permitted to be reprinted or duplicated even partially without our prior written permission.

We reserve the right to make technical changes and design modifications.

The information provided in this catalogue has been researched and prepared with utmost care. However specifications, descriptions and illustrative material contained herein are subject to possible changes without notice. We do not accept liability for any errors in this issue.

SAMPA frequently updates and improves its products. SAMPA may discontinue to offer or modify its products at any time. Please consult your SAMPA country representative for specific product information.

The brand SAM PA® is a registered and protected trademark. Registration numbers are; IR 1147491, IR 1153904, CTM 010528438, OAPI 3201200019, TR 2002/19391, TR 2011/112926,
Well-Known Trademark T /03238.

Explanation of the used terms in this catalogue;

Replaces: The spare part which shown is a product of SAMPA® brand, it can be used instead of the original spare part of the vehicle manufacturer.

Suitable for: The spare part which shown is suitable for the listed vehicles, models, product types etc.

SAMPA code with "SD": The shown spare part is a "SAMPA DESIGN" product which is developed in SAMPA R&D Centre (CAMP).

Thank you for choosing SAMPA products.

We Produce Spare Parts for the World

Sampa exports to 138 countries from its HQ in Samsun, Turkey, and has offices, warehouses and subsidiaries in the USA, the UK & Ireland, Italy, Spain, France, Australia, Mexico, Germany, China, Russia, South Africa, United Arab Emirates, Nigeria, and Romania.

Sampa provides a wide range of spare parts for heavy-duty commercial vehicles at competitive prices and fastest way available, while focusing on high standards and customer satisfaction.

Established in 1994 as a distributor in a 100 m^2 shop in Samsun, Turkey, Sampa has transformed into a manufacturing and sales giant, now operating on a 100.000 m^2 integrated factory campus.

In addition to manufacturing over 15.000 products under 24 different groups, Sampa also buys and sells over 15.000 products, which increases its offering to a total of 30.000 products.

BRUKER

The Best R&D Center in the Aftermarket

CAMP is a comprehensive facility where the brightest talent with an innovative mindset bring the best work to life.

We take pride in our never-ending quest for innovation at CAMP, our 3000 m^2 state-of-the-art research and development center launched with an investment of 10 million dollars.

As Sampa's significant step in expanding local innovation, CAMP is fueled with 2.5% of Sampa's annual turnover.

Equipped with high-tech tools, machinery, and 5 divisions with a total of 80 researchers, CAMP is constantly in pursuit of new products and materials.
